

# Instructions for recording your tsunami hikoī for use in our tsunami evacuation model

- Westshore, Ahuriri, Pandora, Napier South, Maraenui, Te Awa and Marewa -

Walk your tsunami evacuation route to high ground or inland during tsunami hikoī week 11-17 March 2019. Tsunami evacuation maps can be found here: [www.hbemergency.govt.nz/hazards/tsunami/](http://www.hbemergency.govt.nz/hazards/tsunami/)

Apple	Step 1: Download the FREE 'Open GPX Tracker' app for Apple devices from the App store	Step 2: Open app. When you are ready to record your route click 'Start Tracking' at the bottom of the screen	Step 3: Once you have completed your walk select 'Pause' at the bottom of the screen	Step 4: Save the data file by selecting "Save":	Step 5: You will have the option to name the file, name it something along the lines of "your initials_age_tsunami_hikoī" or "YYMMDD_age_tsunami_hikoī"	Step 6: Click the share button and select your email app (gmail, outlook, mail etc.)	Step 7: Email the file to <a href="mailto:quickersaferevac@gns.cri.nz">quickersaferevac@gns.cri.nz</a> by Wednesday, 20 March
							
Android	Step 1: Download FREE 'Open GPS tracker' app for Android devices from the Play store	Step 2: Open app. When you are ready to record your route click on the arrow button at the bottom right of the screen	Step 3: Once you have completed your walk select Stop at the bottom right of the screen	Step 4: Click the numbered list to then find your recording.	Step 5: Click on the orange circle with the three dots to export	Step 6: Click the share button and select your email app (gmail, outlook, mail etc.)	Step 7: Email the file to <a href="mailto:quickersaferevac@gns.cri.nz">quickersaferevac@gns.cri.nz</a> with the date you did the hikoī and your age by Wednesday, 20 March
							

Any contact details and information you provide will be securely stored to preserve your privacy during, and after the completion of the project. Any identifying information will be removed from any public reports and publications.

You have the option to withdraw your data from the project and do not have to provide a reason for doing so.

**Thank you for practising your tsunami hikoī and collecting your hikoī data for us!**
